

Dear montana! I hope you had a good winter. Because I sure did! The be a tree thing was fun. I thought it was good.

From  
LISA

do you remember when your  
mom did the beat tree thing.  
It was fun learning how to be  
safe when a bad dog comes  
near you. And it was cool to  
see the dog and cat worms  
when you did your speech.

Hey Montana,  
Remember when Wild  
Fire came, that was great! I  
liked when your mom came in  
to show the class how to  
behave with dogs because now  
I am ok around them!! I really  
like the front cover of your  
Rainy Day Book!

Have a great summer!
